VALIDATION

Action — Branch Manager

- Loss: €1.000 / week per branch
- Security (Seris) rarely watches activily
- Initiative lies with store employees
- Decision-making at regional/national HQ
- Interest present → pitched higher up

Promenade Kapellen — Director

- Only 1 security guard for the entire center
- Time loss during every intervention
- Many incidents missed or too late
- Reactive system e.g. no proactive monitoring
